Attorney for Defendant, AXEL GUEVARA

IN THE UNITED STATES DISTRICT COURT FOR THE  
EASTERN DISTRICT OF CALIFORNIA

UNITED STATES OF AMERICA,

Plaintiff,

vs.

AXEL GUEVARA,

Defendant.

Case No.: 1:25 CR 132

**AMENDED** STIPULATION AND ORDER  
REGARDING MODIFICATION OF  
PRETRIAL RELEASE CONDITIONS

The parties, by and through their respective counsel, hereby stipulate and agree as follows:

1. The parties amend the previous stipulation to request modification of Pretrial Release Condition (7)(q) from HOME DETENTION to the following: CURFEW: You must remain inside your residence every day from 7:00 p.m. to 4:00 a.m., or as adjusted by the pretrial services officer for medical, religious services, employment or court-ordered obligations, and medical appointments and/or medical emergencies associated with your child. The other conditions of Condition (7)(q) relating to the required Location Monitoring program should remain in full force and effect.

- 1           2. The parties affirm their previous stipulations as follows. Mr. Guevara is in  
2           compliance with his conditions of release. However, there is a conflict between his  
3           employment hours/construction work locations and the requirement that he  
4           participate in cognitive behavioral therapy which is only available on a weekday from  
5           2:30 – 4:00 p.m.  
6  
7           3. The parties agree that Mr. Guevara’s PreTrial Release conditions should be modified  
8           by eliminating condition (7)(o) requiring participation in cognitive behavioral  
9           therapy. All other conditions of release, other than the changes to Conditions (7) (o)  
10          and (q) would remain in full force and effect.  
11  
12          4. The assigned PreTrial Services Officer approves of all these modifications. Better  
13          Choices Program Magistrate Judge Grosjean approves of the modification regarding  
14          cognitive behavioral therapy.  
15

16 It is so stipulated and agreed.
